## CATNEY JUBILEE BARBEQUE 27<sup>TH</sup> MAY 2012

Sponsored by the Resident's Association, Catherine de Barnes held its Jubilee Barbeque on Sunday 27 May in glorious sunshine.

The event was attended by over 130 residents and their guests who tucked in to hotdogs, burgers and lots of lovely cakes and puddings. Beers, wines and soft drinks were on sale from the bar as everyone basked in the sunshine and joined in with the choruses of Rule Britannia and Land of Hope and Glory.

There were stalls for the children to enjoy and for those who took part in the face painting, most ended up with the Union Jack on their foreheads and arms. Prizes in the 'best dressed' competition were won by Ola (under 5's), Eva (under 10's) and Steve Cartwright (over 10's) in his striking pose as the Naked Chef – he was after all cooking the sausages and burgers!

Dave Cuthbert thanked all those who helped out on the day and those who supplied the puddings and cakes. On behalf of the members of the Residents Association, I would like to say thanks to Dave for organising the event.

Our next event is the fete, Catney Olympics, on Saturday 14 July. Raffle tickets for the Grand Draw went on sale on Sunday and are available from members of the Residents Association and from SPAR Hampton Lane, Ele & Co, Longfellows and The Boat Inn. There will be a prize for the person who sells the most raffle tickets – see Gareth at the SPAR shop to get your books of tickets to sell to your friends, family, work colleagues and everyone else!

### **HAPPY ENDING**

**In our May issue we asked you to look out for Jack the Cat, who had been missing from his Hampton Lane family since April 11<sup>th</sup>. We are very pleased to report that Jack was spotted a couple of weeks ago by Paula and Mark from Lugtrout Lane, while walking their dog in Henwood Lane. Jack has now been reunited with his delighted family, who would like to express their grateful thanks to Paula and Mark for taking the trouble to contact them and for letting them know they had seen Jack.**

**THE TEAM FROM NATIONAL  
GRID**

**Photo : Newlands Bishop Farm**

There were a lot of exhausted people with aching muscles following a National Grid Team Challenge day at Newlands Bishop Farm in Berry Hall Lane on the 10<sup>th</sup> May. The Family Care Trust is their Charity for the Year and the Metering Change Management team from National Grid, Solihull went along to support the initiative.

They braved the water logged Berry Hall Lane, and working in rather inclement weather, they moved and built flower beds, re-laid mulch in the vegetable patch, built cold frames, concreted in posts for plants etc.

They are also doing fund raising at work to raise money – National Grid have promised to match any funds raised. If you would like to help with a donation please contact Jenny Perry or Karen Jacks at National Grid, Solihull on 0121 424 8741

Newlands Bishop Farm (NBF) has been developed to give people with learning disabilities and mental health problems the opportunity to learn work based skills.

This is provided through unique work experiences in horticulture, woodwork, gardening, horse care/riding, catering and retail and animal husbandry.

NBF continued.....

Since 2002 when the project joined the Family Care Trust, the farm has developed significantly. There is now a modern barn where machinery is stored, as well as housing a woodworking unit. In 2008 NBF were awarded a grant to build the stable block and have since been awarded a Riding Establishment Permit that will allow the development of a riding school. A new building, opened in late 2011, includes a training kitchen and café to provide service users with the opportunity to gain commercial catering/retail skills and qualifications.

NBF has many partnerships with local organisations who often attend to help with farm work or take part in outdoor education activities, using the fields, woods, pond or the Forest School sites.

### **A walk through the Common**

Summer is a cumin in, loudly sing.... ok we didn't hear any cuckoos but just about every other bird was singing it's little heart out as we walked through the Common and beyond in mid May. It was a lovely walk, albeit slow due to arthritic knees; with bluebells on either side of the clearly marked path. It shouldn't be necessary to remind people to stick to the pathways and not climb over fences onto private land, but we witnessed more than one example of trespass, I'm afraid. However, the walk was beautiful now the fresh green growth has emerged, the glint of sun on the canal to our side and the open spaces of fields with distant cattle widening our horizons as we left the cover of the trees to walk on the edge of growing crops. ### **2<sup>nd</sup> June**

Up to a thousand boats will muster on the river as The Queen prepares to lead one of the largest flotillas ever seen on the River Thames.

The Diamond Jubilee festival will be held in London's Battersea Park, which will offer a great vantage point to view the pageant. The festival will celebrate design, music, art, film, fashion and food from the past 60 years. Members of the public will also be able to watch the pageant on a number of big screens.

### **3<sup>rd</sup> June**

Organised by the BBC, a concert at Buckingham Palace will be attended by The Queen, The Duke of Edinburgh and other members of the Royal Family.

### **4<sup>th</sup> June**

Thousands of beacons will be lit around the world to commemorate The Queen's 60 year reign over the UK and as head of the Commonwealth.

### **5<sup>th</sup> June**

Service of Thanksgiving and Carriage procession

The Queen and other members of the Royal Family will attend a national service of thanksgiving at St.Paul's Cathedral. It will include a prayer written, at The Queen's direction, by the Chapter of St Paul's Cathedral in honour of the Diamond Jubilee. A 'Diamond Choir' of children from around the UK will sing a specially composed song. Later in the day, the Royal Family will travel from Westminster Hall to Buckingham Palace by carriage, along a processional route. Shortly after their arrival, the Royal family will appear on the balcony and an RAF fly-past will take place.

The main events of the Diamond Jubilee Central Weekend will be broadcast live on big screens in England, Wales, Scotland and Northern Ireland. They provide the perfect opportunity to soak up the atmosphere and enjoy the celebrations locally with family and friends.

You could go to Hampton in Arden – for the Flotilla celebrations on big screen at 2 pm on Sunday.

Or several events will be televised on a big screen in Victoria Square, Birmingham.

**The following Prayer, written at The Queen's direction by the Chapter of St Paul's Cathedral for Her Majesty's Diamond Jubilee, will be used in the Jubilee Thanksgiving Service at St Paul's Cathedral on Tuesday, 5th June 2012.**

The Archbishops of Canterbury and York have commended it for use throughout the Church of England. Other churches are also welcome to use the prayer.

*God of time and eternity,  
whose Son reigns as servant, not master;  
we give you thanks and praise  
that you have blessed this Nation, the Realms and Territories  
with ELIZABETH,  
our beloved and glorious Queen.  
In this year of Jubilee,  
grant her your gifts of love and joy and peace  
as she continues in faithful obedience to you, her Lord and God  
and in devoted service to her lands and peoples,  
and those of the Commonwealth,  
now and all the days of her life;  
through Jesus Christ our Lord.  
**Amen.***
